# Salary Benchmarks and Rankings *Condensed*

2007-2008

Missouri NEA prepares the Salary Benchmarks and Rankings report annually. This report is compiled using the 2007-2008 certified teacher salary schedules and represents 516 of the 524 Missouri school districts.

The following districts did not provide salary information to Missouri NEA and are not included in this report.

Avilla R-XIII  
Ladue\*  
Lamar R-I

Pattonsburg R-II  
Pleasant View R-VI  
Shawnee R-III

Southern Reynolds Co. R-II  
Sunrise R-IX  
Winston R-VI

\*Ladue does not have a set salary schedule; thus, much of their salary data is not included in this report. However, Ladue has provided a base salary which is compared to the BA minimum column in this report.

**BA minimum** is usually recognized as the salary for beginning teachers. The minimum salary for each district is detailed in the report. The mean, median and mode of minimum salary for the state of Missouri using the 516 districts who submitted data are as follows:

**Mean** (average of all items in the sample) – 28,105

**Median** (roughly half of the salaries are larger and half are smaller) – 27,500

**Mode** (most frequently occurring salary) – 23,000, 24 times out of 516 districts

***This report is a condensed version of the complete Salary Benchmarks and Rankings report.***

*The following sections are included in the complete report.*

*Section 1 – Alphabetic listing of districts detailing the number of certified staff and selected benchmarks*

*Section 2 – Alphabetic listing of districts detailing the rank of selected benchmarks*

*Section 3 – Districts grouped by region and size in order of the minimum salary*

## Definitions

### Lanes

**Bachelor's Degree (BA)** – normally the first lane on the salary schedule. This does not include any additional credit hours past a BA or BS degree.

**Master's Degree (MA)** – the lane for a master's degree does not include any additional credit hours past a MA or MS degree.

**Non-Doctorate Max** – the highest salary on the schedule that does not occur in the doctorate lane.

**Schedule Max** – the maximum salary of the last lane. This figure will be the same as non-doctorate max for schedules without a doctorate lane.

### Steps

**Minimum Salary (Min)** – The salary located on step 1 of the lane.

**Middle Salary (Mid)** – The salary located on step 7 of the lane. For the majority of districts, this is the mid-point. If a district should happen to have less than seven steps in a lane the mid and max salary listed for that district will be the same.

**Maximum Salary (Max)** – The salary located on the last step of the lane.

This report is in alphabetic order by district name. Rankings of selected benchmarks as well as the salary at that level are included for the 516 districts that submitted salary schedules. This report also details the total number of lanes on the district's salary schedule and the number of certified staff reported by the Department of Elementary and Secondary Education.

**To help clarify the data in this report, please refer to the following explanation.**

The example on the following page shows the minimum salary in district XYZ is \$32,650 and is the 5<sup>th</sup> highest beginning salary out of the 501 districts reporting. The middle salary in the bachelor's lane is \$36,666 and ranks 15 from the top. The maximum salary in the bachelor's lane is \$48,257 and ranks 10 out of 501 districts. If a district should happen to have less than seven steps, the middle and maximum salaries will be the same.

The minimum, middle and maximum salary information is provided for the MA lane as well. Since only 500 districts have a MA lane, the ranking will only include 500 districts, not the original 501. The maximum salary is provided for the non-doc and schedule max lanes and each is ranked according to the original 501 districts.

XYZ's salary schedule represents what a typical district's schedule may look like. The shaded areas are cells that are detailed in the Salary Rankings and Benchmarks report.

Example:

School District	Staff Lanes			Bachelor's	Rank of 501	Master's	Rank of 500	Non-Doctorate Max	Rank of 501	Schedule Max	Rank of 501
