Section 1 contains minimum and maximum salary benchmarks for selected lanes. This section also contains the certified number of staff according to the Missouri Department of Elementary and Secondary Education as well as other information, which is described in the following column listing. The data is listed in alphabetic order.

Definitions

Lanes

Bachelor's Degree (BA) – normally the first lane on the salary schedule. This does not include any additional credit hours past a BA or BS degree.

Master's Degree (MA) – the lane for a master's degree does not include any additional credit hours past a MA or MS degree.

Non-Doctorate Max – the highest salary on the schedule that does not occur in the doctorate lane

Schedule Max – the maximum salary of the last lane, this figure will be the same as non-doc max for schedules without a doctorate lane.

Steps

Minimum Salary (Min) – The salary located on step 1 of the lane

Middle Salary (Mid) – The salary located on step 7 of Bachelor's or step 10 of Master's lane. For the majority of districts, this is the mid-point. If a district should happen to have less than seven steps in a lane the mid and max salary listed for that district will be the same.

Maximum Salary (Max) – The salary located on the last step of the lane
